

Product Data Sheet

AQUA RINSE SPRAY

Product	Aqua Rinse Spray
Short product description	Ideal spray for toilets connected to the central water tank. A master flush, an amazing smell, whilst saving water.
Consumer proposition	<p>Rinse solution for use in vehicles with a toilet connected to the central water tank (toilet without integrated flush-water tank) like motorhomes. Specifically developed formula to use as a spray.</p> <p>Very convenient for caravan owners as well (who use Aqua Rinse Concentrated). Aqua Rinse Concentrated and Aqua Rinse Spray reinforce each other's effects! Aqua Rinse Concentrated focuses on preventing limescale build-up in the flush water tank and offers a fresh, effective flush. Aqua Rinse Spray excels in an even smoother flush, being effective at preventing skid marks, whilst saving water. Say goodbye to using stacks of toilet paper in your toilet bowl if you want to avoid skid marks. <i>Aqua Rinse Spray does the job!</i></p>
Volume	500ml Spray bottle
Color	Pink
Perfume	Lavender
Way to use	Spray the inside of the toilet bowl with Aqua Rinse Spray before and/or after using the toilet.
General USP's	<ul style="list-style-type: none"> Effective at preventing skid marks Coats the toilet bowl with a protective layer providing a smoother flush Saves water as fewer flushes are required to keep a clean toilet bowl Leaves a pleasant lavender scent long after spraying Safe for both plastic and ceramic toilet bowls

	<ul style="list-style-type: none"> Septic tank safe (Test ISO 11734)
Positioning	Toilet bowl spray, mostly for motorhome users who search for an alternative of Aqua Rinse Plus/Concentrated because of the water coming from the central water tank. Also very well suitable for caravan owners who search for a product which helps preventing skid marks in the toilet bowl and result in using less flush water.
EU/GHS - CLP classification	P102 – Keep out of reach of children
Hazardous goods information	None
HS / GN	3402909000
